Digest Presents

Mini Comics for minor

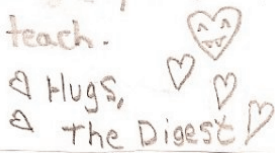

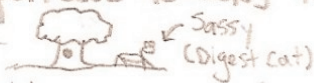

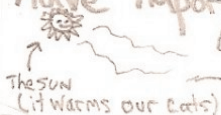

Characters:

Chris Sharpe

Hey friend. Welcome to this, the
Preamble! first Degrassi Digest Mini-comic.
The idea here is to celebrate the UNSUNG heroes
of the Degrassi universe in the MOST inti-
mate and romantic format possible. The
characters that will be examined in these
books may not always be the stars of the
show, but that doesn't mean they don't
have important lessons to teach.

Hey. My Name is Chris.
Welcome to my mini-comic.
I've only appeared in 9
episodes of Degrassi, but
I am fucking rad. Lets
examine everything that
I've ever done and
said on the show.
I think it'll be just
the most fun!

OMFG this is going
to be cool!

the fun →

1st Appearance: "Father Figure pt. 1"

Notable Moment: Walks into class and Emma
Stares at him for a second.

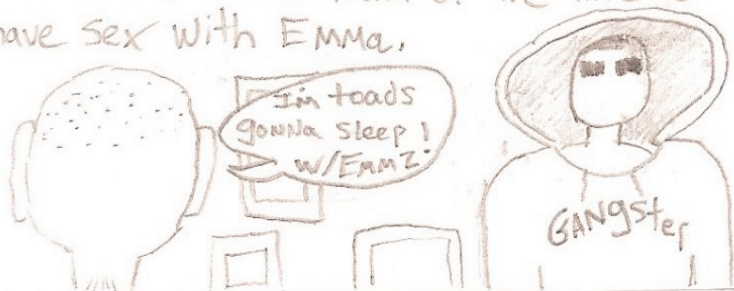

Other Notable Moment: Spinner Needs Chris' locker to trade on Paige's behalf. Spinner offers him a recording of a "rare jam session" that DJ Mad Bullets did in Paris. Chris remarks that the CD sounds "tough still". What the fuck does that mean?

2nd Appearance: "Against All Odds"

Notable Moment: Calls Sean "Slim Shady", which was pretty hilarious. He confesses his love for Shakespeare, which immediately moves him to the front of the line to have sex with Emma.

Other awesome moment: This one is short, but great. Chris is just sitting in the hallway beatboxing by himself. This makes Emma feel like she is from "planet white dork".

pttoaaaah!

patiiiiit!

poh!

poh!

Final Sweet-assed moment: Chris is DJing at the rave his cousin (Jacob Sharpe) is headlining. Emma steps on the power strip, killing the party. Chris' girlfriend Melanda is totally pissed. Chris touches Emma's Scapula in a very suggestive way.

3rd appearance: "This Charming Man"
Notable Moment: There is a brief scene of him
beat boxing by himself again, but forget that. The real
prize is watching him go on a milkshake date with
Emma. She asks him on a date to Snake's B-day.
They eat birthday cake. I love birthday cake
and I'd like some right now.

Everyone knows that
cakes sanctified by birth
or matrimony are the
most delicious. Eat me
Shithead!

4th Appearance: Accidents will Happen pt. 2
All Chris does in this whole episode is beat
box in the hallway. What a cool dude.

P-TAW!

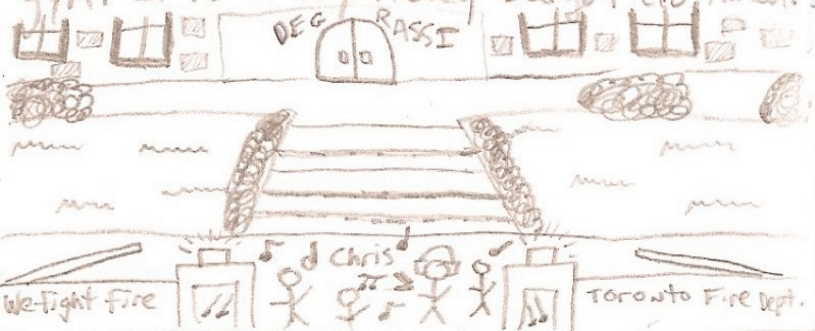

P-TUP!

P-TAW-TUP!

5th Appearance: It's Raining MEN
Chris uses a strategic cough to hilariously
break up an uncomfortable silence after JT's
commercial is shown for the 1st time.

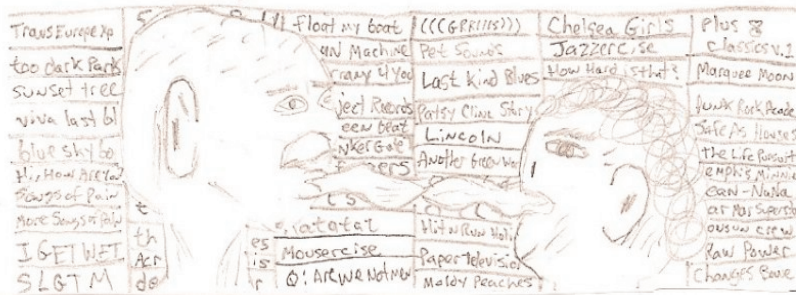

COUGH
COUGH

6th Appearance: The Power of Love
Chris has No lives in this one. He is shown
dancing amongst the fire trucks parked outside
the school. They are putting out a fire in the
gym. It is a very Rodney Dangerfield moment.

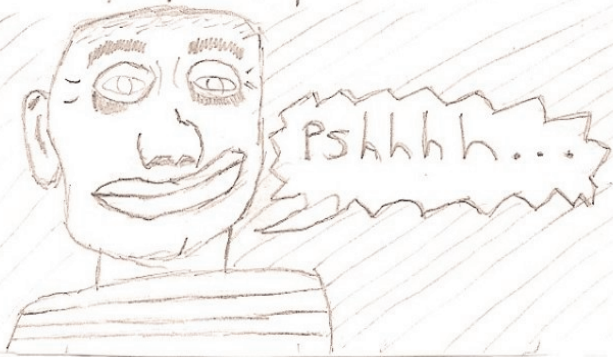

7th Appearance: King of Pain

Lots happens. Chris alludes to the fact that him & Emma broke up over the summer, what? Anyway, Liberty falls in love with Chris and they decide to go to the "CD shop" together. This isn't shown, so I've drawn my rendition of it below.

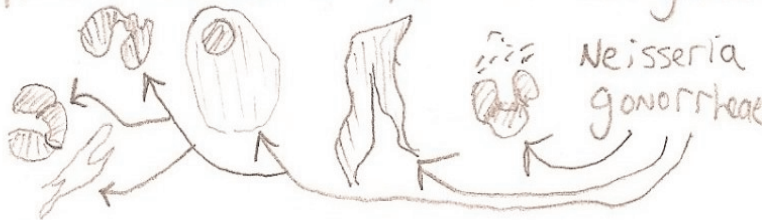

8th Appearance: Mercy Street
During an "alienation" montage, Chris
doesn't allow Rick to sit next to him. He
makes a really "pshaw"y face.

Last Appearance: Modern Love

This one is hard to explain, but the gist of it is that Chris makes fun of Emma in the middle of class by pointing out that she's had gonereach (major sp?). This is the last time he appears on the show. Dude, you are a fucking hero.
